# Generations of Excellence

## **Experience... Knowledge... Quality.**

In today's times, finding a company that combines two generations of experience, expertise in the latest technology in its field and the guarantee of its work is rare. At PHR Landscapes, we are proud of our reputation for quality, workmanship and professional integrity. Paul H. Robinson, a Master Gardener, and his staff come from a variety of professional horticultural and design backgrounds, giving you a broad range of knowledge and experience.

Stroll down any street in the Westfield-Scotch Plains area and you are bound to admire the distinguished work of PHR Landscapes. As a family-owned business, we take pride in the resplendent and distinctive landscape designs we create. We conceive a vision for your property and execute it completely, achieving results that enhance the beauty of your home.

Chances are many of the eye-catching homes you see in the area are owned by our clients. Hundreds of referrals from our satisfied customers adds to our reputation as the area's creative design experts.
